Planning

This whimsical quilt will get you in the mood for Halloween. Sandy machine quilted the appliqué with a blanket stitch through all layers to make this quick project. The rawedge ghosts are enhanced by straight

stitch just inside the edges in black thread. Sandi used variegated thread on the letters, and green thread on the witch hat and bat. The remaining blanket stitching was done with thread to match appliqués. Designed by Sandi Colwell

Use fabric markers to mark placement dots for eyes and mouths on the ghosts, and eyes on the bat (if using hot-fix crystals for eyes). Finger-press purple rectangle in half on both length and width; use folds as placement guide. Position A-M in alphabetical order (Diagram I). Fuse in place.
