

Double Wedding Ring

OWNED BY NANCY FERGUSON

FINISHED SIZE
69½" x 84¾"

Note: See Pattern Pull-Out Section for templates and foundation-piecing pattern.

NUMBER OF BLOCKS AND FINISHED SIZE
20 Wedding Rings 23¼" x 23¼"

FABRIC REQUIREMENTS

Muslin (background)	4⅜ yds.
Assorted prints and solids (blocks)	4 yds. total
Pink print (binding)	¾ yd.
Backing (piece widthwise)	4⅜ yds.
Batting	Double size

OTHER MATERIALS

Sewing thread
Glue stick (optional)
Quilting thread (hand quilting)

PLANNING A REPRODUCTION

Using the technique of paper foundation piecing allows accurate assembly of each 11-piece arc, assuring that arcs fit the large muslin pieces. The paper remains intact until the other shapes are sewn to the arcs—only then is the paper gently torn away. Pieces do not have to be cut precisely for foundation piecing but cut large enough to trim seam allowances after seams are sewn. Stitch a practice arc to determine exactly how generous your pieces of fabric must be cut.

CUTTING INSTRUCTIONS

Note: See Piecing the Block instructions for cutting foundation fabrics.

Muslin

- 49 Template A
- 20 Template B
- 14 Template C
- 14 Template C reversed (CR)
- 4 Template D

Assorted prints—cut a total of:

- 26 pairs of squares 3¼" x 3¼"
- 4 squares 3¼" x 3¼"

Assorted solids—cut a total of:

- 26 pairs of squares 3¼" x 3¼"
- 4 squares 3¼" x 3¼"

PIECING THE BLOCK

1. Make 98 photocopies of foundation arc, allowing at least ¼" excess paper beyond the final cutting line on the arc. Cut fabric similar in shape for each area on foundation arc, adding a generous ¼" seam allowance on all sides.

2. Place fabric for center area #1 on unprinted side of foundation, directly over center area #1. A dab of glue stick helps hold the first piece in place (see Diagram I).

3. Referring to Diagram II, place fabric for area #2 directly over area #2. Check placement of fabric by holding foundation up to a light source, which allows the printed line to shadow through. Carefully flip fabric #2 over fabric #1, right sides together. While finger-holding fabric in place, gently turn foundation over and stitch on the line between #1 and #2. Begin and end stitching ¼" beyond each end of seam line.

4. Gently fold foundation out of the way and trim seam allowance to ¼". Referring to Diagram III, press fabric #2 out, taking care that no pleat is pressed along the seam line. Hold up to light to assure that fabric fully covers area #2, plus provides seam allowance on the unsewn edge.

5. Referring to Diagrams IV and V, add fabric #3 in same manner. Continue adding fabrics in numerical order until arc is covered (see Diagram VI). Trim arc along outer cutting line (see Diagrams VII-A and VII-B). Make 98 arcs total.

6. Referring to Diagram VIII, stitch 2 arcs to muslin Template A fabric to complete pieced arc unit. Make 49 arc units total.

One of the signature patterns of the Great Depression is that perennial favorite, the Double Wedding Ring. This example, which comes from the family collection of Nancy Ferguson, combines melon wedges of a wide variety of scraps, including feedsacks, with Four Patch blocks at each intersection. A straight-line binding, using a "Bazooka pink" print (so named for its resemblance to the popular bubble gum), makes the quilt easier to finish than some of its kind.

7. Stitch 1 pair of assorted print $3\frac{1}{4}$ " squares together with 1 pair of assorted solid $3\frac{1}{4}$ " squares (see Diagram IX). Make 26 pieced squares total. Sew 1 assorted print and 1 assorted solid $3\frac{1}{4}$ " square together to make corner units. Make 4 total.

QUILT TOP ASSEMBLY

Note: Refer to Assembly Diagram for following steps.

8. Sew 6 rows, alternating arc units and pieced squares, positioning assorted solid squares horizontally. Stitch 5 rows, alternating arc units and muslin Template B fabrics. Sew rows together. Add corner units to corners.

9. Stitch muslin Template C and CR fabrics to sides, top, and bottom. Sew muslin Template D fabrics to corners. Gently tear away paper.

QUILTING AND FINISHING

10. Layer and baste quilt top for quilting method of your choice (see Basic Quilt-making Instructions). The original quilt was diagonally cross-hatched in the large open area, creating a diamond pattern. Each muslin melon shape includes 2 arc-shaped quilting lines, and arc segments are each ditch-quilted.

11. Bind quilt with pink print fabric (see Basic Quiltmaking Instructions).
