Quilt Instructions for this Issue

All fabric requirements are based on 40"/42"-wide fabric. The yardage given includes an additional 5% to account for fabric shrinkage and individual differences in cutting. A 1/4" seam allowance is included on pattern pieces when required. All measurements for pieces, sashing, and borders include 1/4" seam allowances. The finished quilt size is the size of the quilt before quilting. Because each quilter usually has a personal preference, the type of batting to be used for each quilt will not be listed, unless it is necessary to obtain a specific look.

Due to variations in materials and equipment, McCall's Quilting disclaims any liability of untoward results in doing the projects presented. Because McCall's Quilting has no control over your choice of materials or procedures, neither McCall's Quilting nor the various manufacturers assume any responsibility for the use of this data.
