Planning and Cutting

A doormat with an interlocking link design inspired Janice to make this fun quilt. She also challenged herself to use a precut fabric strip pack (Tonga Treat™) of the Spice Market collection by Timeless Treasures. Fabric values (relative lightness to darkness) are important to the success of this design. You can substitute yardage if you wish, and cut 2½" x width of fabric strips in values and quantities described in the **Fabric Requirements**.

Divide the strips in your precut pack into 6 light strips, 10 medium strips, and 24 dark strips. You will also need an additional ¼ yard of a medium fabric to cut 2 more 2½" x width of fabric strips. Cut patches as listed in the **Cutting Instructions**. Each block requires:

- 2 light fabrics (4 squares
2½" x 2½" of each fabric)
- 2 medium fabrics (4 rectangles
2½" x 4½" of each fabric)
- 2 dark fabrics (4 strips 2½" x 10½"
of each fabric)

We recommend you select patches for each of the 12 blocks in advance, and keep them together by block in plastic sandwich bags or other containers. Sew one block at a time.
