

Walk in the Park part 1

Blue Lagoon. Sewn by Denise Starck. Fabric: Ashton Road by Valerie Wells and Kona Cotton Solid from Robert Kaufman. Batting: The Warm Company.

I love puzzles and designing a mystery is like working a puzzle. I often start with tra-

ditional units and duplicate and combine them until I see something I like.

1 Selecting the Fabrics

Deciding which fabrics to use is part of the fun of a mystery quilt, but the process can be puzzling when you don't know how they'll be used. You can see the different palettes chosen in the 2 color options. Kits are available for each of the color palettes for your convenience. The most important thing to remember is there should be good contrast between the colors.
