

Fons and Porter's Love of Quilting TV Supplies

Series 1800

Page 1

Sewing machine for the series was the Baby Lock Symphony. The sewing center is provided by Koala Cabinets. For piecing, we use the 1/4" quilting presser foot or the monogramming presser foot. We use basic sewing supplies such as fabric, rotary cutters, and scissors, plus specific items listed below. We wear a Klutz cut-resistant safety glove when rotary cutting, press with an Oliso Iron, and measure using Omnigrid, and Fons & Porter rulers. Patterns and instructions for quilts featured are in *Love of Quilting* or *Easy Quilts* magazine or as listed. We now have DVD's available for our TV shows beginning with the 400 series.
