## Plan

An adorable character print panel from the Googlies collection by Michele D'Amore for Benartex guarantees that these stuffed dolls will make your little ones smile. The character print panel squares left over from quilt construction feature 3 total Googly shapes, used in this pattern.

The coordinating quilt (48½″ x 48½″) is patterned in the February/March 2013 issue of *McCall's Quick Quilts*.

## Cut

Backing fabrics—**cut a total of:**

1 rectangle 6″ x 11″ (for red doll)
1 rectangle 8″ x 11″ (for light blue doll)
1 rectangle 9″ x 12″ (for dark blue doll)

## Sew

**1** Rough-cut doll shape from panel print square, leaving ½-1″ beyond printed lines. Cut all legs as a unit, and leave a larger margin around any extensions like arms or ears (**Diagram I**).

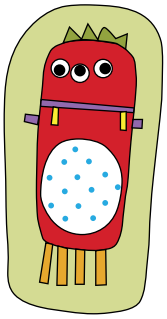

**Diagram I**

**2** Layer rough-cut doll shape on backing rectangle, right sides together (**Diagram II**). Sew around doll shape through both layers, making gentle curves around corners and extensions, and leaving an opening for turning on 1 long straight side.

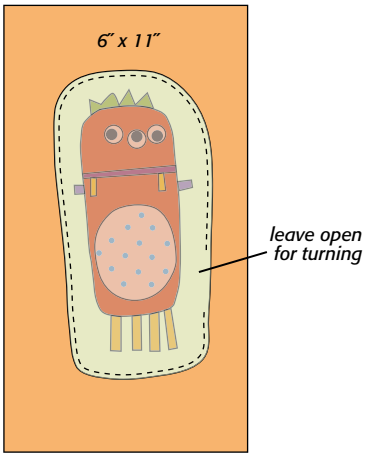

**Diagram II**

**3** Trim seam allowances to ¼″ (**Diagram III-A**).

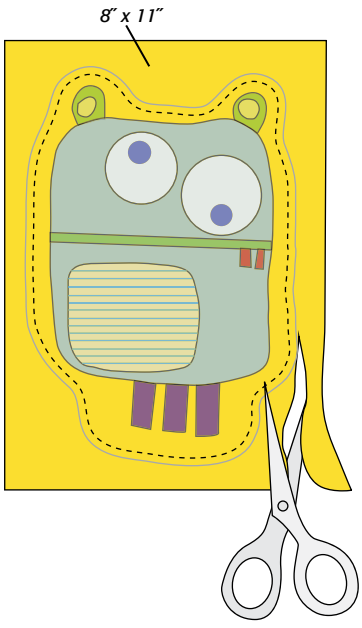

**Diagram III-A**

Clip just to stitching on any concave curves (**Diagram III-B**). Turn shape right side out, stuff with batting scraps or fiberfill, and hand stitch opening closed. Repeat Steps 1-3 to make 3 dolls total.
