# Maisy Daisy Queen-Size Quilt

Adapted from a design by  
**Maho Schwartz**

Finished Quilt Size  
**89" x 102¼"**

Number of Blocks & Finished Size  
**42 Maisy Daisy Blocks 11¼" x 11¼"**

## Plan

This fun technique will use up tons of scraps, and you'll have a lively quilt to give to someone special or keep for yourself! Steps 1 and 2 of our pattern, based on Maho's instructions, include cutting and pressing details to reduce bulk and create opposing seams for easy construction of pieced squares. Be sure to use an accurate ¼" seam allowance throughout so all elements of the quilt fit together well.

## Sew

**1** Sew together 6 assorted print 1½" x 14" strips to make strip set (**Diagram I-A**), which should measure 6½" high. Make 84 total. Press in direction of arrow. Referring to **Diagram I-B**, cut strip set into two 6½" squares. Then cut squares in half diagonally, 1 in each direction as shown. Label triangles A-D. In same manner, cut remaining strip sets and label triangles, keeping each kind together.
