

Pick a Peck

Alternate Design Foundations

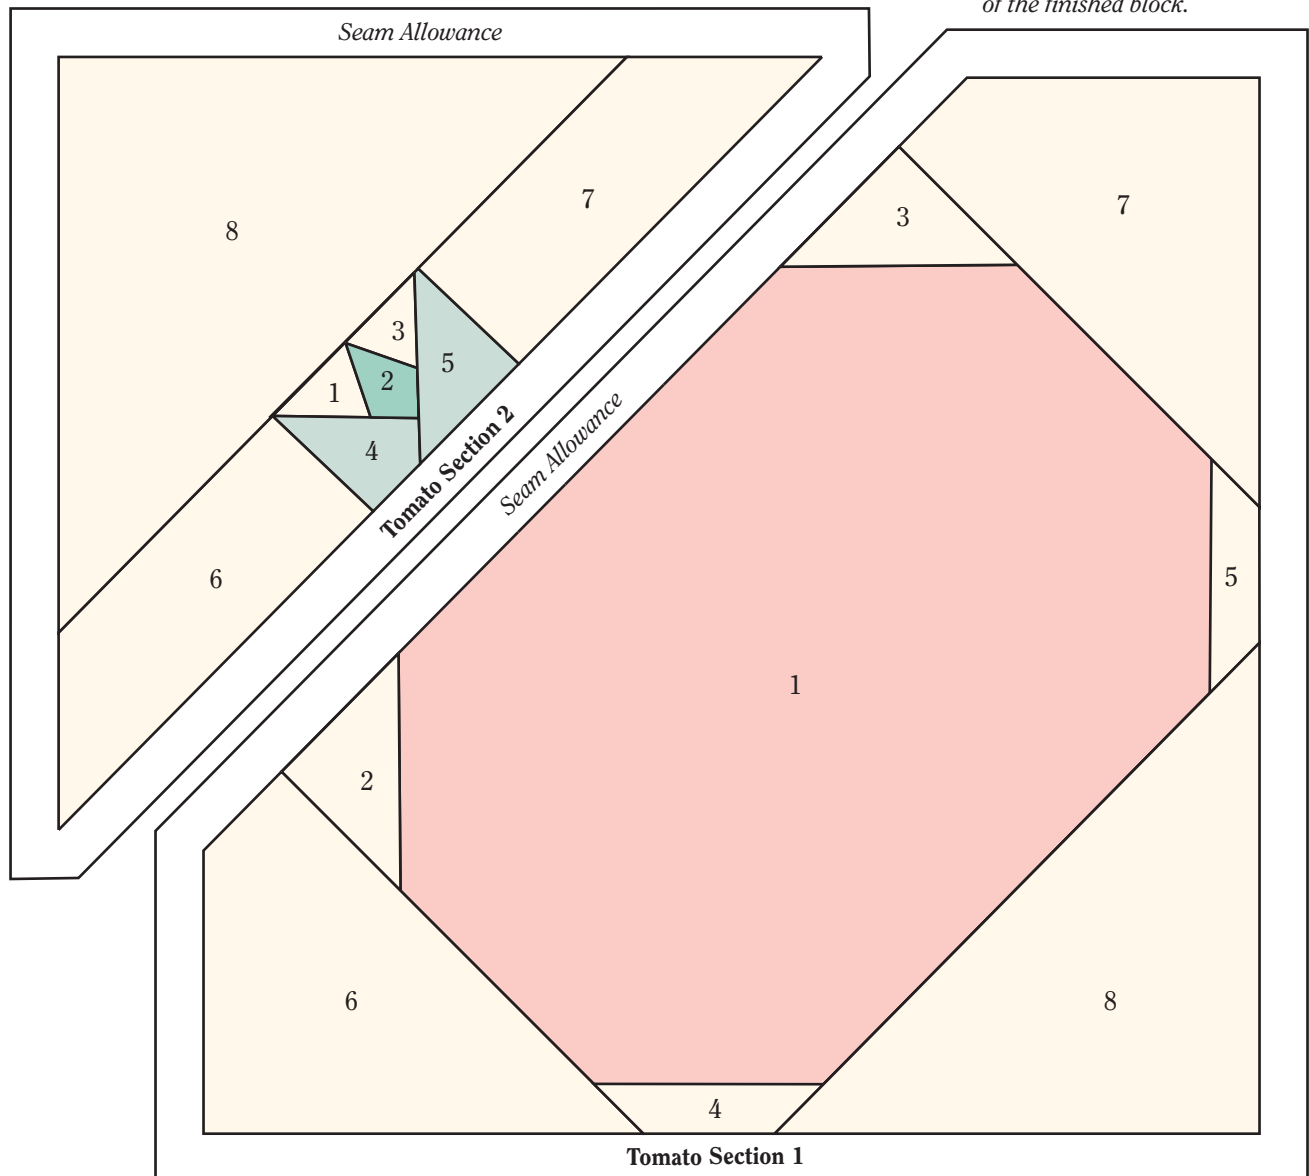

Use these foundations to make additional hot pads in the design of a tomato, a watermelon slice or an eggplant. Complete directions for constructing the veggie hot pads, along with patterns for an ear of corn and a pumpkin, appear in *QUILTMAKER* September/October '08. If you cannot find this issue at your local quilt shop, order back issues at VillageQuiltShope.com.

Be sure your printed patterns match the measurements published in *QUILTMAKER*. If your pattern sizes are different, check your print settings to make sure there is no page scaling—you should print the page at 100% or actual size.

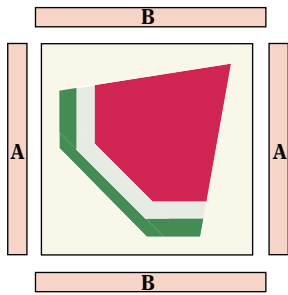

Patterns are the reverse of the finished block.
