

Country Baskets

Country Baskets is a six-part series quilt presented in the 2003 issues of *Quiltmaker* magazine. The basket portion of the May foundation pattern appearing in the May/June issue of *QM* was mis-numbered. The corrected pattern is shown below.

Detailed instructions on foundation piecing are available in the "Basic Lessons" insert of printed issues of *Quiltmaker* magazine, and also online at www.quiltmaker.com.

Please check your printed pattern against given measurements, and adjust as needed.

Pattern is the reverse of the finished unit.
